Fostering Faith Teaching Learning In The Christian Church:

Fostering Faith Denise Janssen, 2014 In *Fostering Faith* Janssen Hemmen and Verner offer an approach to effective Christian education that can transform the whole life of your congregation Perfect for pastors Christian education committees and teachers this book will be a companion to help you strengthen your church's spiritual formation and discipleship programs Publisher Educating Congregations Charles R. Foster, 2010-08-01 A leading Christian educator offers a practical guide for revisioning a church's educational program After identifying the weaknesses in current education programs Charles Foster offers an alternative vision that is more cooperative more attentive to the whole of the congregation's life and that helps people critically correlate the Bible and Christian tradition to their own experience **And We Shall Learn through the Dance** Kathleen S. Turner, 2021-07-28 Liturgical dance is a way to present reflect instruct learn study and share religious beliefs with one's self within one's worship community and with one's God Such a belief is confirmed and witnessed within a variety of religious settings throughout the world from the beginning of time to this present age However there is a vacuum of resources that connect liturgical dance within the Christian context as a tool for religious learning within the field of religious education With the continual rise of liturgical dance as an artistic form of expression this book proposes that liturgical dance offers unique attributes conducive to the teaching and learning of faith and to faith formation Kathleen S Turner shows how liturgical dance is religious education in two very important ways first by addressing the power and potential liturgical dance has in nourishing the faith life of Christian congregants through means that are both educative and reflective and second by giving examples of how liturgical dance can be implemented as a religious education tool within the teaching life of the church **Receiving Nicaea Today** Hanns Lessing, Daniel Rathnakara Sadananda, 2025-10-17 The 1700th anniversary of the Council of Nicaea is an invitation to both re encounter the triune God and re examine the covenantal faithfulness of the Church in a wounded and waiting world Reformed churches celebrate the Nicene faith but not uncritically Receiving is not passive acceptance but radical engagement For the Reformed tradition the anniversary is a call to interrogate discern and renew the very grammar of our faith Reformed hermeneutics receives such anniversaries not as closures of doctrinal certainty but as openings where theology can be re tested in the fire of Scripture re voiced in the cries of the wounded and re shaped in the pulse of mission Nic a Heute Empfangen Globale Stimmen Aus Reformierter Perspektive Der 1700 Jahrestag des Konzils von Nic a ist eine Einladung den dreieinigen Gott neu zu entdecken und die Bundestreue der Kirche in einer verwundeten Welt zu prüfen Reformierte Kirchen feiern den Jahrestag aber nicht unkritisch Die reformierte Tradition empfangt die christliche Glaubensberlieferung nicht passiv sondern verlangt radikales Engagement Das Gedenkjahr ist ein Aufruf dogmatische Gewissheiten zu hinterfragen und den christlichen Glauben neu zu entdecken Die Reformierte Glaubenshermeneutik versteht das Jubiläum nicht als Feststellung dogmatischer Gewissheiten sondern als eine Öffnung in der die Theologie im Feuer der Schrift erneut geprüft in den Schreien der Verwundeten neu zum Ausdruck gebracht

und im Puls der Mission neugestaltet werden kann

Christian Faith and Scholarship: An Exploration of Contemporary Developments Todd C. Ream,Perry Lynn Glanzer,2007-09-17 In the twenty first century religious faith has reemerged from the margins of modernism and moved back to the center of contemporary scholarly conversations When Jacques Derrida died Stanley Fish recently wrote I was called by a reporter who wanted to know what would succeed high theory and the triumvirate of race gender and class as the center of intellectual energy in the academy I answered like a shot religion A group of evaluators of the Lilly Endowment s Initiative on Religion and Higher Education recently agreed There is today more discussion about the role of religion in the academy than at any time in the past 40 years and more commitment to the project of Christian higher education than there was just ten years ago In recognition of these developments this particular monograph offers an overview of the various ways conversations about religion and religiously informed scholarship are increasing in the academy Although a growing number of faith traditions are finding their place in this conversation the Christian tradition in its various

forms is still the dominant voice This monograph addresses the history of secularization in American higher education and scholarship the historical and resistance by dominant religious traditions to that secularization the contemporary ways that individual scholars networks and institutions approach the question of religious faith and scholarship the concerns such a question raises for academic freedom and the relationship between religious faith and scholarship **The Publishers'**
