Fore! P. G. Wodehouse, 1999-09-01 A collection of golf stories from the celebrated satirist A delight Wodehouse's drives were deadly accurate when writing about the game The Boston Globe P G Wodehouse Britain's beloved satirist and author of the famous Jeeves series often said he wished he'd spent more time playing golf and less fooling about writing stories and things Happily for all of us the prolific writer often took his pen to the green In *Fore* Wodehouse expert D R Bensen has collected a dozen pieces to delight golfers those who know them and even those who have never basked in the ecstasy of a perfect putt into a collection by this great humorist that is almost as much fun as playing a round The Philadelphia Inquirer Sure to please Wodehouse readers and re readers even those who've never sliced or putted Kirkus Reviews **Fore!** Pelham Grenville Wodehouse, 1983 P G Wodehouse often said that he wished he'd spent more time playing golf and less fooling about writing stories and things Happily the prolific and beloved satirist often took his pen to the green Here Wodehouse expert D R Bensen has collected a dozen pieces to delight golfers and those who know them even those who have never basked in the ecstasy of a perfect putt Copyright Libri GmbH All rights reserved **Play Away Please** John P. Hagen, 2011-01-25 The St Andrews Old Course Starter's Box was sold in a controversial international auction on 10 September 2001 the day before the infamy of the Twin Towers attack *Play Away Please* recounts the glory of the little building in St Andrews the home of golf and tells the tale of those who used its services for 77 continuous years Unlike many epics the story does not centre on a rich dynasty or a heroic quest for the truth Instead it centres on the production of the perfect round of golf and the global marketing of the Box one of the most celebrated buildings in the world of sport as a brand and an icon The book also chronicles the suspense and notoriety that greeted the Box after its voyage from Scotland to California by way of the Panama Canal and the role it assumed as an emotional balm for many in the aftermath of the 11 September atrocity Alas nothing is as simple as it seems and miracles are rare The businessman who bought the Box was imprisoned before it reached Los Angeles accused of stealing millions from the real estate development that was to be its home Eight years later a happy ending was finally brought about but only after a healthy dose of gut wrenching fear and suspense became a part of the story Supplemented with exclusive photographs *Play Away Please* is also a personal story of patronage and odyssey to assure the Box's preservation as the sporting world's consummate symbol of integrity and fair play Along the way the author brings to life the unforgettable local characters of Fife celebrating their customs lifestyle and unique command of the English language
