Andrew McFarland Davis,1911 "The Given Note" Seán Crosson,2021-02-03 The oldest records indicate that the performance of poetry in Gaelic Ireland was normally accompanied by music providing a point of continuity with past tradition while bolstering a sense of community in the present Music would also offer particularly for poets writing in English from the eighteenth century onwards a perceived authenticity a connection with an older tradition perceived as being untarnished by linguistic and cultural division While providing an innovative analysis of theoretical work in music and literary studies this book examines how traditional Irish music including the related song tradition primarily in Irish has influenced and is apparent in the work of Irish poets While looking generally at where this influence is evident historically and in contemporary Irish poetry this work focuses primarily on the work of six poets three who write in English and three who write primarily in the Irish language Thomas Kinsella Seamus Heaney Ciaran Carson Gear id Mac Lochlainn Nuala N Dhomhnaill and Cathal Searcaigh *U.C. Controversies in Innocence Cases in America Sarah Lucy Cooper,2016-05-13 Controversies in Innocence Cases in America brings together leading experts on the investigation litigation and scholarly analysis of innocence cases in America from legal political and ethical perspectives The contributors many of whom work on these cases daily investigate

contemporary issues presented by innocence cases and the exoneration movement as a whole These issues include the challenges faced by the movement causes of wrongful convictions problems associated with investigating proving and defining innocence and theories of reform Each issue is placed within a multi disciplinary perspective to provide cogent observations and recommendations for the effective handling of these cases and for what changes should be adopted in order to improve the American criminal justice system when it is faced with its most harrowing sight an innocent defendant

Bringing Ben Home Barbara Bradley Hagerty,2024-08-06 How states are making their legal systems more equitable seen through the story of a Black man falsely imprisoned for thirty years for murder In 1987 Ben Spencer a twenty two year old Black man from Dallas was convicted of murdering white businessman Jeffrey Young a crime he didn t commit From the day of his arrest Spencer insisted that it was an awful mistake The Texas legal system didn t see it that way It allowed shoddy police work paid witnesses and prosecutorial misconduct to convict Spencer of murder and it ignored later efforts to correct this error The state s bureaucratic intransigence caused Spencer to spend more than half his life in prison Eventually independent investigators new witness testimony the foreman of the jury that convicted him and a new Dallas DA convinced a Texas judge that Spencer had nothing to do with the killing and in 2021 he was released from prison As Spencer s fight to clear himself demonstrates our legal systems are broken expedience is more important than the truth That is starting to change as states across the country implement new efforts to reduce wrongful convictions and one of the states leading the way is Texas Award winning journalist Barbara Bradley Hagerty has spent years digging into this issue and she has immersed herself in Spencer s case She has combed police files and court records interviewed dozens of witnesses and had extensive conversations with Spencer and in **Bringing Ben Home** she threads together two narratives how an innocent Black man got caught up in and couldn t escape a legal system that refused to admit its mistakes and what Texas and other states are doing to address wrongful convictions to make the legal process more equitable for everyone By turns fascinating and enraging personal and provocative **Bringing Ben Home** is the powerful story of one innocent man who refused to admit that he was guilty of murder and how his plight became part of a paradigm shift in how the legal system thinks about innocence as it institutes new methods to overturn wrongful convictions to better protect people like Ben Spencer **Index to Legal**
