

Plotting

Learn and apply
Story Structures to...

Flowers for Algernon by Daniel Keyes

and
**STAR
WARS**
A NEW HOPE

Overview

Fitting stories into "story structures" helps students see patterns of actions, change, and plot. In this activity, students will first learn story arcs through the help of comprehension questions and *Star Wars: A New Hope*, then make claims about their own reading's plot structure. Students find evidence that supports their claims about the story and produce meaningful commentary around this evidence, which leads to the class conferring and judging the best structure for their shared reading.

This activity may be done at any point in a novel, with the added skills of skimming and scanning back through the book hunting for evidence. Having students annotate and/or take notes comes in handy during activities like these, so let your students figure out which structure fits best.

Included

1. Two Narrative Structure Explanations with video and text links for your students
2. Story Wheel and Pyramid Comprehension Questions for *Flowers for Algernon* (with answer keys)
3. Story Wheel and Pyramid Comprehension Questions for *Star Wars*
4. Story Wheel and Pyramid Evidence Sheets for *Flowers for Algernon*
5. Daily Lesson Plan (3 classes, or 4 if you want to watch *SW:ANH* in class)

Flowers For Algernon Common Core Unit
