Morgan, 1996-10-23 The extensively revised edition of the best-selling *Focus Groups as Qualitative Research* continues to provide an excellent guide for researchers across the disciplines. Reflecting the many changes that have occurred in the study of focus groups in recent years, the book begins with an updated introduction offering a discussion of current social science approaches to focus groups. Expanded coverage on the comparison of focus groups to individual interviews follows, and there is more material on the strengths and weaknesses of focus groups. The section on self-contained focus groups has also been expanded. Subsequent chapters have been revised to include examples from social scientists who have established their own practices and methodological research on focus groups. In conclusion, the author offers future directions and references that take into account the explosive growth of focus groups as a research tool for all social scientists. **Ethics and Integrity in Education (Practice)** Mary Davis, Cláudia Baptista, 2025-07-30 This book offers a collection of effective and insightful practices in academic integrity through diverse perspectives and global contexts. Contributors ranging from faculty, academic integrity leaders, academic conduct officers, student support staff, independent researchers, and students in nine different countries share their collective knowledge and understanding based on their roles, work, and study in academic integrity. The main themes of the chapters focus on innovation and collaboration, community and culture, stakeholders in academic integrity, and awareness of breaches and ethics. Within these themes, the contributors explore Artificial Intelligence tools, inclusion, collaboration with students, networks, publishing, setting up research offices, student champions at high school and university, and academic conduct breaches. The chapters end with calls to action and recommendations for readers to incorporate into their practice. In these ways, the book aims to raise awareness of important issues in academic integrity contexts and support the continued development of practice. **Conducting Focus Groups for Business and Management Students** Caroline J.
